Hospital Visits

Christ desires to come very near to us because suffering can open us up to receiving Christ's close presence. Father very much appreciates knowing when you are in the hospital so he can pray for you and even visit if he is able. Do not hesitate to ask Father to make a visit, and he will go as soon as he is able. Sometimes a visit can literally be lifesaving with a confession or the healing power of the Sacrament of Anointing of the Sick.

Baptisms—DelRae and Alex Haag bring their baby boy, Elias David, for baptism on Sun., Jan. 3rd. Danielle and Palmer McDurfee Jr. bring their baby girl, Preché Elizabeth, for baptism Sun., Jan. 3rd.

Pillar focus ➡ Stewardship

Yes, our parish has become a tithing parish. This follows strong support from a parish meeting last spring with reflection throughout the year by the Finance Council. We are giving to two organizations, one that has a close tie to the poor and the other that is associated with our Church just as would reflect your personal giving patterns. This year the St. Ann's Indian Mission at Belcourt & the Holy Trinity Convent home of the Handmaids of the Heart of Jesus (where Kayla is) have been chosen and will be given money from our parish tithing & funds you have added.

Participants on the summer mission trip to St. Ann's Mission. We helped with a youth summer camp giving love & attention to many precious children who have little in the midst of broken families.

Tell them to do good, to be rich in good works, be generous, ready to share, thus accumulating as treasure a good foundation for the future, so as to win the life that is true life. 1Timothy 6:18-19
