Natural Family Planning Awareness Week - July 19–25.

“All Natural! Natural Family Planning: Good for the body. Great for the soul!” is the theme of this year’s Natural Family Planning Awareness Week, a national educational campaign of the United States Conference of Catholic Bishops (USCCB) to celebrate God’s vision for marriage and promote the methods of Natural Family Planning. Natural Family Planning (NFP) is an umbrella term for the safe, natural and effective methods of both achieving and avoiding pregnancy. NFP methods teach couples how to observe and interpret the woman’s signs of fertility and infertility. In the words of the Catechism of the Catholic Church, NFP methods “respect the bodies of the spouses, encourage tenderness between them and favor the education of an authentic freedom” (CCC, no. 2370). The dates of Natural Family Planning Awareness Week are July 19–25. These dates highlight the anniversary of the papal encyclical *Humanae Vitae* (July 25) which articulates Catholic beliefs about human sexuality, marriage, conjugal love and responsible parenthood. The Catholic Church invites all the faithful to embrace God’s plan for married love. To learn more about the methods of NFP offered in the diocese see: <http://www.fargodiocese.org/NFP> or visit the NFP section of the USCCB website at: <http://www.usccb.org/nfp/what-is-nfp/index.cfm>. A schedule of local NFP classes can be viewed at: <http://www.fargodiocese.org/nfpinstructors>.
