If you have not yet returned your commitment card, please try to do so next weekend or return it to the parish office this week. Your additional support will be a gift to your family...your parish family. Please make sacrifice the measure of your gift.

Launching Youth Discipleship

Youth Discipleship is a means of giving support to our young people to live out their faith as disciples. Small support groups of youth are being set up, each lead by Youth Discipleship Mentors that will help disciple them. These groups will meet every month during CCD and expand into meeting more often and even being involved in service projects and the like.

This involves placing our youth in small support groups with a mentor(s) that will disciple them as a way of complimenting the ways in which you already are guiding them to Christ. Initially what this will look like is spending about 20 minutes of our youth night in these small groups of about 4-8 youth lead by their Youth Discipleship mentor(s). This can then grow as desired into gatherings, service projects and support beyond just that time.

There will be an informational meeting this coming **Tuesday, Nov. 24, at 7:45 PM** (after the Tuesday evening Mass) in the St. Boniface room for parents and those interested in helping disciple our youth into a stronger relationship with Jesus.

Please pray for those from our parish discerning a religious vocation. To keep in touch with them, write them at these addresses:
