October 4th is Respect Life Sunday**

Let us pray that the Holy Spirit will open the minds and hearts of those who reject the Gospel of Life and allow them to be convinced of the truth and goodness that the Church professes concerning human life, and that families find a healthy balance between supporting children's involvement in extracurricular activities and having time for the family to be together.

Stewardship Moment - *"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name."* (GENESIS 2:19) The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.
